# Travel Preparation Considerations

1. **Most offered training courses span 4.5 days (Monday – Friday). Unless otherwise specified, class typically begins on Monday morning at 9AM. If traveling from afar, we suggest you travel on Sunday and stay at a local hotel to be well rested for class on Monday morning.**
2. **Unless otherwise specified, class concludes at 12:00 PM (noon) on Friday. If traveling by air, we suggest you schedule the return flight no earlier than 3:00 PM on Friday. This will give sufficient time to travel to the airport, return a rental car, and clear security.**
3. **Pack appropriately. Bring comfortable clothing, however, ensure it is suitable for work (no sandals or open toed shoes please). Also, check the Franklin, MA weather forecast before deciding what to pack:**

**<http://www.weather.com/weather/tenday/l/Franklin+MA+02038:4:US#!>**

4. **If you have interest in touring the New England area while here - please:**
  - a) **Research and plan your extracurricular activities ahead of time - as class time should not be used for this purpose.**
  - b) **Ensure extracurricular activities do not negatively impact the training course (consider only activities that are within a reasonable drive from Franklin, and that will leave you well rested and on time for each next day of class).**

# Franklin Facilities Information!

**Below is some helpful information for visitors about the policies that must be followed during their time here.**

- 1. Please use Visitor Parking near ITW EAE's Main Entrance (Ref: Map - Pg 9).**
- 2. On the first day of arrival, use the phone in the main entrance lobby to contact your instructor to gain entrance. Subsequently, a Visitor badge will be issued that allows access to the building for the remainder of the week. The visitor badge must be visible at all times while in the building, and returned to the instructor at the end of the week / training.**
- 3. Safety is paramount. When working on machines in the classrooms, safety glasses must be worn. Foot protection is required on an "as needed" basis (defined by the instructor). You may bring your own or we can provide safety glasses and (over the shoe) toe caps.**
