EMEA Electro Solutions to Represent All ITW EAE Products in Iberia with Extended Agreement

Lakeville, Minnesota, August 1, 2020 - ITW EAE announces a new extended partnership agreement with EMEA Electro Solutions to represent and distribute all ITW EAE equipment including MPM printers, Camalot dispensers, Electrovert soldering and cleaning systems, and Vitronics Soltec soldering systems throughout Spain and Portugal. The agreement becomes effective September 1, 2020.

In making the announcement, Wim Schouten, Sales Manager for ITW EAE said, "This is an important step for the ITW EAE presence in Spain and Portugal. EMEA has already proven to be a first-class distributor of our Vitronics Soltec soldering systems for more than 3 decades. EMEA will now be able to offer our full range of first-class products to the Spain and Portugal markets. EMEA's skilled and enthusiastic team and focus on customer satisfaction is a perfect match with our values."

Jose Luis Pardo, CEO of EMEA, added, "We are delighted to work with such a high-quality organization as ITW EAE whose range of printers, dispensers and soldering solution systems are well known for their leading-edge technology and reliability. Our goal is to represent high-quality companies and ITW EAE certainly fits into this category".

EMEA will be responsible for sales, service and spare parts for MPM printers, Camelot dispensers, Vitronics Soltec wave, reflow and selective equipment, plus Electrovert soldering solutions and cleaners, serviced from EMEA offices in Barcelona Spain and Lisbon Portugal.
