Vitronics Soltec Soldering Equipment to be represented by Murray Percival Company in MI, IN, OH and KY

Minneapolis, Minnesota, USA, December 18, 2017 – ITW EAE, the Electronic Assembly Equipment division of Illinois Tool Works, announces a new partnership agreement with Murray Percival Company to represent and distribute Vitronics Soltec soldering equipment beginning January 1, 2018 for the territory of Michigan, Indiana, Ohio and Kentucky. This agreement is an expansion of Murray Percival Company's representation of ITW EAE's product line which already included MPM printers, Camalot dispensers, and Electrovert soldering and cleaning equipment.

"Murray Percival Company has provided superior representation for MPM, Camalot and Electrovert which were formerly part of Speedline Technologies," said Michael Austin, Vitronics Soltec Sales Director. "With the integration of Speedline and Vitronics Soltec under ITW EAE we are very fortunate have a first class, highly trained and technically experienced sales force represent our Vitronics Soltec soldering equipment."

Murray Percival Company has been providing electronic assembly and automation solutions to manufacturers for nearly 60 years. Murray was a pioneer servicing an emerging industry, one that has become a key component in the worldwide market of today's manufactured goods. The Murray Percival Company is now a leading supplier to the Midwest's electronics industry. More information on Murray Percival Company can be found at www.murraypercival.com and sales inquiries should be sent to Orders@murraypercival.com.

"Everything we do is designed to help our customers deliver products that make our world safer, healthier, and more enjoyable," said Murray Percival Jr, President and CEO. "Vitronics Soltec is a pioneer in soldering technology with a reputation for quality manufacturing and we are thrilled to bring the this full-line of cutting-edge technology to our customers."

Vitronics Soltec is a brand of ITW EAE, a division of Illinois Tools Works, Inc. They specialize in the design and manufacturing of mass soldering equipment for the global circuit board assembly market, and includes Reflow, Wave and Selective Soldering technologies. ITW EAE brings together world-leading brands of electronics assembly equipment including MPM, Camalot, Electrovert, Vitronics Soltec, and Despatch. For more information visit www.itweae.com.
