Agreement Signed with Selecs GmbH to Represent ITW EAE Equipment in Germany, Austria and Switzerland

Lakeville, Minnesota, October 17, 2023 - ITW EAE announces a new partnership agreement with Selecs GmbH for Germany, Austria, and Switzerland to represent ITW EAE per November 1, 2023. The representation involves the full portfolio of ITW EAE equipment for Germany; MPM printers and Camalot dispensers for Austria and Switzerland.

“Selecs GmbH brings a young and strong focused professional team to the market,” said Frank van Erp, Sales Director for ITW EAE. “We are very happy to bring all ITW EAE products together which will improve our synergy across products and simplify business at the same time. The German market is very important for ITW EAE and after we updated our Alzenau facility we are ready to make a next step to facilitate our growth.”

“The new cooperation of ITW EAE and Selecs GmbH is a perfect match which brings huge benefits for our customers. The ITW EAE products are industry leading in their category which fits ideally to the core of what the Selecs philosophy is about: We want to deliver best in class solutions. The whole Selecs team is looking forward to taking good care of today’s ITW EAE customers and is ambitious to further grow the business in Germany, Austria and Switzerland”, said Björn Lohse and Josef Harrer, General Managers of Selecs GmbH.

Selecs GmbH is a near Munich based distribution company for the electronics manufacturing industry. They will be responsible for sales, service, training and parts for MPM printers, Camalot dispensers, Vitronics Soltec wave, reflow and selective equipment, and Electrovert soldering solutions and cleaners.
