

PRODIGY SAFETY INFORMATION & GUIDELINES COURSE

Online Training Course

Course ID: SP129

ITW EAE Learning

Our eLearning courses are specifically designed to provide engaging and interactive learning opportunities for operators, technicians, engineers and/or managers to be introduced to or build upon the knowledge and skills needed to successfully operate, maintain, program, or troubleshoot their CAM Prodigy equipment. Online courses are designed to cover beginning and intermediate competencies and should be mastered before considering more advanced, in person training. Courses require a reliable internet connection and can be viewed at your own pace on your phone, tablet, or pc laptop.

Course Overview:

In this module, you will review safety information and guidelines for operating and maintaining the Prodigy dispenser. This is a REQUIRED course that must be completed as a Prerequisites to take any further Prodigy courses.

Who Should Take this Course: Anyone who wants to learn more about the Prodigy dispenser, regardless of whether they have direct interaction with the equipment or not.

Prerequisites: None

Time Requirements: 20 minutes **Assessments:** Quiz **Languages:** English

Learning Objectives:

- Name safety precautions related to maintaining a safe work environment.
- Identify hazard symbols and relate them to hazards associated with operating the Prodigy dispenser.
- Choose the right PPE when operating a Prodigy dispenser and when performing daily preventative maintenance.
