# Preparing for Training

Most offered training courses span 4.5 days (Monday – Friday). Unless otherwise specified, class typically begins on Monday morning at 9AM. If traveling from afar, we suggest you travel on Sunday and stay at a local hotel.

Unless otherwise specified, class concludes at 12:00 PM (noon) on Friday. If traveling by air, we suggest you schedule the return flight no earlier than 3:00 PM on Friday.

Bring comfortable clothing, suitable for work (no sandals or open toed shoes).

If you have interest in touring the Lake Ozarks area while here - please ensure it does not negatively impact the training course (consider only activities that are within a reasonable drive from Camdenton, and that will leave you well rested and on time for each next day of class).
