Preparing for Training

Most offered training courses span 3 days. Unless otherwise specified, class typically begins on Monday morning at 8:30AM. If traveling from afar, we suggest you travel on Sunday and stay at a local hotel.

Unless otherwise specified, class concludes at 5:00 PM.

Bring comfortable clothing, suitable for work (no sandals or open toed shoes). Also, check the Oosterhout NB, NL [weather forecast](#) before deciding what to pack.

If you have interest in touring around the Netherlands while here - please ensure it does not negatively impact the training course (consider only activities that are within a reasonable drive from Oosterhout, and that will leave you well rested and on time for each next day of class).

For training, please contact your local sales office via <https://www.itweae.com/contact-us/global-directory>
